See/Jump Authorization for Internet Banking

I, (Member Name), account number _____, wish to authorize (Member Name), account number _____, to view (See Function) or perform transactions (Jump Function) on my accounts.

See function:

- 1) Allows a member to view the Account Summary and Detail screens for their other membership accounts.
- 2) Transactions cannot be performed.
- 3) This is not available in mobile banking.

Jump function:

- 1) Allows a member to jump to another of their memberships without additional authentication to perform transactions.

The Jump function cannot be used if the second membership has one of the following conditions:

- 1) The condition of the password prohibits access. (This could happen when there is a stale password, expired password, temporary password, no password, or when a member would be required to change his or her password.)
- 2) The member has not set up security question answers.
- 3) The member has not accepted the Online Banking Use Agreement.
- 4) Access to online banking has been disabled for this membership.
- 5) The membership is closed.

I, (Member name), have read the See/Jump information above and acknowledge that I understand the functionality of these options. Therefore, I give my permission to (Member Name), to access my membership information via the See function or the Jump function.
