NON-VISA PINLESS DEBIT TRANSACTIONS

You may use your Card to initiate both VISA® debit transactions and non-VISA debit transactions with or without using a PIN to authenticate the transactions.

- To initiate a VISA® transaction you may sign a receipt, provide a card number or swipe your card through a POS terminal and choose ‘Credit’ to route the transaction over a VISA® network.
- To initiate a non-VISA transaction, you may choose ‘Debit’ and enter a PIN at a POS terminal or, for certain bill payment transactions, provide the account number for an e-commerce or mail/telephone order transaction after clearly indicating a preference to route it as a non-VISA PIN-less transaction.

When using NYCE or STAR with a PIN, different terms may apply and you will not be eligible for rewards accrued on transactions processed over the VISA® network. In addition, certain protections and rights applicable only to VISA® transactions (e.g., zero liability, will not apply to transactions processed on the NYCE or STAR networks when using a PIN). For additional information on VISA® operating regulations, please contact VISA® directly at 1-800-VISA-911.

OWNERSHIP OF CARD

Any Card that we have supplied to you is our property and must be returned to us, or to any person whom we authorized to act as our agent, or to any person who is authorized to honor the Card, according to the instructions. You cannot transfer your Card or account to another person. Neither we nor merchants authorized to honor the Card will be responsible for the failure or refusal to honor the Card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

FOREIGN TRANSACTIONS

If you effect a foreign transaction with your Card, the rate of exchange between the transaction currency and the billing currency used for processing the foreign transaction will be a rate selected by VISA® from a range of rates available in wholesale currency markets for the applicable central processing date, which may vary from the rate VISA® itself receives or the government-mandated rate in effect for the applicable central processing date. Transactions completed by merchants outside of the United States are considered foreign transactions, regardless of whether you are located inside or outside the United States at the time of the transaction. In addition, all foreign transactions will be subject to a 1% Foreign Transaction Fee requiring conversion in each instance regardless if it is a multiple currency transaction, requiring conversion, or a single currency transaction, not requiring conversion. The Foreign Transaction Fee will apply to all foreign purchase(s), cash disbursement(s), and account credit transactions.

SECURITY OF PIN

The Card PIN issued to you or changed by you is for security purposes. Any PIN issued to you is confidential and should not be disclosed to third parties or recorded on or with the Card. You are responsible for safeguarding your PIN. You agree not to disclose or otherwise make your PIN available for anyone not authorized to sign on your accounts. You understand that any joint owner you authorize to use your PIN may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of your PIN and the Credit Union suffers a loss, we may terminate your Card immediately.

GOVERNING LAW

The Card is governed by the By-laws of the Credit Union, federal laws and regulations, the laws and regulations of New York State and local clearinghouse rules, as amended from time to time. BILLING ERRORS

In case of errors or questions about EFTs from your savings or checking accounts, call us at the following number or send written notice to the following address as soon as you can. We must hear from you no later than sixty (60) calendar days after we sent you the first periodic statement on which the error appears. Call (800 or 716) 632-9328, or write to: Western Division Federal Credit Union, 6750 Main Street, Williamsville, NY 14221:

- Include your name and member number;
- Describe the EFT and explain why you believe the Credit Union has made the error or why you need additional information.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days. We will tell you the results of our investigation within ten (10) business days after we hear from you and will correct any error or problem promptly. If we need more time, however, we may take up to forty-five (45) calendar days to investigate your complaint or question. If we decide to do this, we will re-credit your account within ten (10) business days for the amount you think it is in error; so that you will have the use of the money during the time it takes us to complete our investigation. The ten (10) business day period becomes a twenty (20) business day period if the notice of error involves an electronic fund transfer to or from the account within thirty (30) calendar days after the first deposit to the account was made. The forty-five (45) calendar day period becomes ninety (90) calendar days if the electronic fund transfer at issue was a point-of-sale (POS) debit card transaction; was a transaction initiated outside the United States, the District of Columbia or Puerto Rico; or occurred within thirty (30) calendar days after the first deposit to the account was made. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not re-credit your account for any amount.

We will inform you of the results within three (3) business days of completing our investigation. If the Credit Union determines that an error did occur, we must inform you within one (1) business day after making the determination, correct the error, and notify the member that the provisional credit of funds has been made final. If the Credit Union determines that there was no error, or the error occurred in a different manner, or in a different amount than reported, the Credit Union will send you a written explanation of its findings. We will inform you that any provisionally credited funds will now be debited from your account and the effective date and amount of the debit. You may request copies of the documents that we used in our investigation.

TERMINATION OF EFT SERVICES

You may terminate any EFT service in the Electronic Funds Disclosure at any time by notifying us in writing. You must return all Card(s) to the Credit Union and/or agree to notify any participating merchants that authority for transactions has been revoked. The Credit Union may notify any participating merchants making preauthorized debits or credits to any of your accounts that this EFT service has been terminated and that we will not accept any further preauthorized transaction instructions. In addition, we may terminate the acceptance of your Card, or PIN, or any EFT service described in the Electronic Funds Disclosure. Whether you or the Credit Union terminates any EFT service, the termination shall not affect your obligations for any EFTs made prior to termination.
